

razmak

as we ride in your car in on the front seat you smile
you don't talk too much,
occasional glances, a kiss and a touch
that's how we run away
me, I'm always high having fun acting wild
so it seems to them
guess what deep inside hides a little kid
scared just like you
we both run away

please keep your distance babe
and i'll keep mine
(so the sign on the road says)
molimo
držite razmak

gle dva luda stranca sad bježe od mraka
što guta nas sve
al' duhovi prošlosti kasne
sve više zaostaju
i pale se svijetla i sjajne su niti i ne bojim se
na zdravoj distanci smo zasad ok
samo vozi, samo vozi

please keep your distance babe
and i'll keep mine
(so the sign on the road says)
molimo
držite razmak

gardez vos distances
